

## HYGIE OFFICE

Prevent your exposure with the HYGIE Office!

Reorganise your open space using HYGIE Office. Fitted with wheels, it can be used for all configurations and can easily be moved.

Fitted with garment bags and a tray for personal items, it reduces the reliance on dressing rooms and increases employee peace of mind in the workplace.

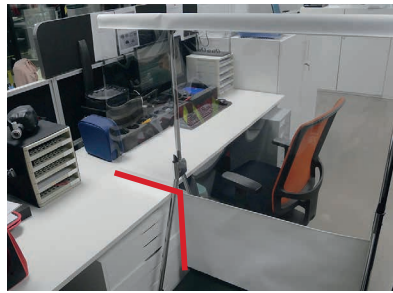

MADE IN FRANCE

### TWO-SIDED DIVIDER

HYGIE Office separates two different workstations while providing each side with an individual personal storage area.

It includes:

- 1 An ultra-solid rail on wheels
- 2 Lower tray for personal items
- 3 Rigid lower divider, from opaque PVC
- 4 Flexible divider, from transparent PVC
- 5 2 individual garment bags
- 6 2 hangers

Non contractual photos

HYGIE Office is a perfect fit for offices of standard height.

Workers protected by large transparent PVC screens

GARMENT BAGS

Individual non-woven clothes bags with zip opening.

Width: 600 mm Height: 1300 mm

Ideal for storing suit jackets without risk of them being touched by anyone.
